In Connection With This Authorization

The information authorized for release may include records which may indicate the presence of a communicable or venereal disease which may include, but is not limited to, diseases such as hepatitis, syphilis, gonorrhea, and the human immunodeficiency virus (HIV), also known as Acquired Immune Deficient Syndrome (AIDS). To authorize disclosure of **any of the following sensitive information initial the applicable line(s) below:**

Alcohol/Drug Abuse Treatment/Referral HIV/AIDS-related Testing and/or Treatment

Sexually Transmitted Diseases Mental Health (Other than Psychotherapy notes)

I understand that if the person or entity that receives the above information is not a health care provider or health plan covered by federal privacy regulations, the information described above may be re-disclosed by such person or entity and will likely no longer be protected by the federal privacy regulations.

I understand that I may revoke this authorization at any time, except to the extent that action has already been taken by Concentra®, by providing a written request to the Center where my care was provided.

I understand that Concentra may not deny treatment if I do not complete this authorization form but may deny services when the services are only to create PHI for disclosure to a third party.

I understand that this authorization expires one year from the date of execution, unless revoked in writing, or a shorter expiration date is required by applicable state law.

I have a right to receive a copy of this authorization.
